**About FST Corp.**

Founded in 1989, FST Corp. manufactures and sells golf club shafts, along with other golf-related items, to golf equipment brands, OEMs, distributors, and consumers via the company's KBS Golf Experience retail outlets. FST's equipment, marketed under the KBS brand, is utilized by golfers at all levels, including many professional players participating in the PGA and other major golf associations. The company's product portfolio, retail presence, and golf-related services are part of a vertically integrated business model that has established the KBS brand on a global scale and created significant competitive advantages over peer brands. The company's growth strategies currently position it for expansion into the PRC and other under-tapped golf shaft markets.
